

OTA 210 – Social Bookmarking Assignment (50 points)

Guidelines

Review posted links and tutorials for use of social bookmarking tool, “Diigo” (www.diigo.com)

Use Diigo throughout the term to locate and bookmark web-based resources related to course topics

Submit a 1 – 2 page reflection paper that:

- Evaluates the effectiveness of this tool for creating a shared resource repository (consider all of the ways that you or your clients might be able to use this tool)
- Summarizes your personal experience from the perspective of a student (what was beneficial/how could this experience have been improved)

Submission guidelines:

- The paper must be double spaced using Times New Roman font, size 12.
- Save your file as a word (.doc or .docx) or .rtf or .pdf file.
- Name your file “LastNameFirstName_Diigo”
- Submit your reflection paper to the Dropbox named “Diigo” by the established submission deadline.

Grading rubric:

Categories	Exemplary	Satisfactory	Unsatisfactory
Participation (25 possible points)	Establishes Diigo account; contributes several relevant bookmarks on multiple topics throughout the semester	Establishes Diigo account; sporadically contributes bookmarks throughout the semester; most bookmarks are relevant	Does not establish Diigo account or establishes account but does not contribute bookmarks
Evaluation/Analysis (25 possible points)	Reflection characterized by thoughtfulness; offers specific insights	Reflection is somewhat superficial; provides some general comments on effectiveness and future application	Does not submit Reflection paper
